REV ERIC DELVE, ENGLAND, UK

“Gatekeepers Global Ministries is dedicated to seeing 7 million people won for Christ through prayer and through engagement with leaders all over the world, to encourage evangelism and discipleship. Catherine Brown is one of God’s glorious shining ‘lunatics.’ The rest of us prevaricate and rationalise. But she believes if the Bible says that God can do exceedingly, abundantly above all that we ask or think - then it must be true! She is determined not to be constrained by the culture of fatalism that has infected the British Church – Hallelujah! I gladly commend her and look forward to seeing how God will use her audacious faith.”

DR BRIAN AND CANDICE SIMMONS, USA

“Catherine leads an outstanding contemporary apostolic ministry. She’s apostolic, prophetic, an author, a visionary and a great example of one who connects and encourages leaders across cultures and nations and moves in the gift of healing and evangelism. Her conferences in the nations have been geared toward equipping leaders so that they can equip their flocks and teaching leaders to be kingdom partners. At this time she has network partners from twenty five nations. She has seen thousands of souls saved, and has just launched an initiative in one of Nairobi’s women’s prisons equipping them with life skills. In particular

she has a vision to evangelise and disciple seven million new souls with the Gospel. We are honored to be counted among her friends.”

CARL BRETTE

“I would like to commend to you Catherine Brown’s work to see 7 million people come to a knowledge of Christ over the next seven years. Gatekeepers Global Ministries truly has a heart to reach the lost at any cost and it’s a credit to Catherine’s desire and tenacity for the Kingdom that her ministry is doing more than other ministries many times in size. Her love for God and people is evident in everything she does and coupled with a very clear prophetic gifting, Catherine is sure to accomplish everything that she has been called by God to do. I look forward to working more

closely on this project with Catherine”.

DUMBA GIVAN BAPTISTE, PRESIDENT, COPE, UGANDA

"I am so happy and overjoyed with the work that God is doing in GGM 7 Million Souls evangelism and discipleship vision through GGM Founder Catherine Brown and her ground team. My prayer has always been to see the glory of the latter church promise come to pass in my generation but wondered how it could come when many are money hungry and darkness is coming back into the church, but inside me is a cry to see the glory of God hover all over the world. With the time running out to the coming of our Lord Jesus Christ, I recommend every leader in Uganda and elsewhere to stand out, be part of the growing GGM network, chase the darkness and win as many souls as possible to Christ."

REV OBII PAX HARRY, ABUJA, NIGERIA

"I'll have known Catherine Brown for a few years now and have found her to be a valuable servant of God in His vineyard. The integrity of her heart is unmatched and her passion for Christ infectious. Catherine walks the talk and lives the message of Christendom. I have found the maturity of her apostolic mantle speaking through various pioneering projects Catherine has initiated in Africa and other parts of the world. On her first visit to Nigeria she made a huge impact on Christians at various levels by boldly bringing insight on the significance and necessity of apostolic councils for the sake of advancement of the kingdom of God in Nigeria.

I feel truly honoured to be involved with Catherine Brown as a covenant ministry partner, friend, co-labourer and sister. I highly recommend her and her ministry as end-time weapons of mass evangelism to the nations."

DR JOE IBOJIE, ABERDEEN, SCOTLAND, UK

“I have known and co-laboured with Catherine Brown over the last five years in Scotland. Firstly, on a personal level, she is a woman of integrity; a mother and a wife and I have found her easy to get along with. She has a pleasant personal disposition and works well with people from various backgrounds.

She is an apostolic leader based in Scotland and the founder of Gatekeeper Global Ministries (GGM) and of the Scottish Apostolic Networking Enterprise. GGM has been a blessing to many nations of the world over the last twelve years and is committed to the expansion of the kingdom of God. This ministry has blessed many other ministries in the UK.

I am delighted that GGM has now extended operations to include Africa countries. I will stand with them in prayers as they extend this great blessing to Africa and the world.”
