**GGM STATS FOR OCTOBER/NOVEMBER 2011**

**\*\* NEW SALVATIONS = 4,400 \*\***

**TOTAL SALVATIONS = 40,507**

**CHURCH PLANTS = 80**

Dear Gatekeepers,

A special thank you to each one of you who prayed for our recent ministry trip to Nigeria. We were blessed to be with our dear friend, Rev Obii Pax Harry and her team and to witness God move powerfully – in the Breakfast with the King gathering; the commissioning of the prophecy school students; in church; in the National Assembly with the Honourable Parliamentarians and also at the prayer altar seminars. We are blessed by the good fruit, which includes apostolic intercession for Nigeria; strategic networking with apostolic leaders; the salvation of a dear man from Trinidad and Tobago; the healing of numerous people (emotionally and physically); strengthening of existing relationships and the privilege of sowing into Rev Obii's students. We acknowledge the importance of your prayers and our partnership in the Gospel with appreciation and love.

I read this extract recently and I feel it an important reminder to us all as we seek to reach out to those who do not yet know Christ:

**Extract from: Fire in My Bones: Why T.L. Osborn Is My Hero** by J Lee Greedy

Many healing evangelists have fallen from grace. This humble giant, at age 88, is finishing well.

I heard T.L. Osborn preach when I was a college student, and at the time I thought, that guy looks pretty good for an old man. That was 31 years ago. I sat down with this spiritual giant for an hour in his office in Tulsa, Okla., two weeks ago, and I thought, I hope I can keep up this guy's pace when I'm his age.

Osborn, who is 88, was born 29 years before the first commercial airliner took flight. Yet he and his immediate family have preached in 90 nations, and he took a trip to India last January. He is remarkably agile (he is strict about a healthy diet), his intellect is still sharp (he spoke fluent French and Spanish to international guests when I was with him) and he is as spiritually intense as ever.

**"I once had a vision of the Lord," Osborn told me, leaning over in his chair to look into my eyes. "But in the vision, God didn't have any hands. Then He looked at me and said, 'You are my hands.'" Throughout his worldwide ministry—which has never been well-known in the United States—he reminds Christians that God is waiting on us to obey the Great Commission.**

I was thrilled to hear stories of this man's missionary ventures. But what encouraged me most about our hour-long visit was seeing a man who is finishing well. At a time when so many charismatic and Pentecostal ministers are going down in the flames of financial or moral scandal, Osborn gives me hope that I don't have to end up in failure. I noticed five distinct qualities about this man that I admire: **J Lee Grady, Charisma Magazine**

May we each be the hands of Christ reaching out to a hurting world with hearts that are full of His integrity and love! We are grateful to the Lord that we are now rejoicing in more than 40,000 new salvations. Please continue to pray with us for fulfilment of the 7 million souls mandate (both in evangelism and in discipleship).

We appreciate each of you and pray for God's glory to rest upon you continually.

In Him we are,

Catherine Brown

## UGANDA

There are signs of revival!! Our church has grown in the last few months from having some empty seats to having to put plastic chairs in the aisles. Two Muslim girls came in and got saved and our girls gave them Bibles. Mama Christine is taking some of the students to the hospitals to pray for the sick and many are getting saved. There are times during prayer when the volume will just go up and some students are really praying seriously. Christian Religious Education (CRE) is required here. Sarah Apoo, second year of high school, felt that her teacher was incorrect in what he was teaching and the teacher let her teach and preach and two people got saved. Thank you Jesus!!

There is a team of eleven young adults from the House of Prayer in Kansas City that are here helping Jesse Digges. Some members of the team came from far away like Ecuador, China, and New Zealand. Jesse had a conference the 25th to 28th and there was great worship and teaching. The theme was a call to constant prayer, fasting and worship to usher in the coming of Christ. Many Awinjo students were touched. Please pray for Jesse as he is doing a great work for God here.

**Healing (1)**

As we walked up to the boat dock to say good-bye to the saints visiting Patmos, a man named Nigel laid down on a bench and was very sick. He said he had severe pain in his stomach. The Pastor and I prayed over this man. I saw a vision of the Lord pulling him out of a black pool and light shining upon him. I shared the vision and told Nigel the Lord was going to heal him. I boarded the tender boat as the wife of Nigel asked me to for a few more moments to encourage them. One of the passengers who was a medical nurse or doctor said this man needs a hospital now. When they got back to the ship they called for a doctor to come in by air lift. The Lord kept telling us to pray that the snake on the pole did not steal what Christ on the cross did. We cried out to God for a fast rescue as we knew how the glory could be stolen by the snake. The most amazing thing happened. At this time Nigel's blood pressure was high and he was out of it. The doctor was airlifted to the ship and when he walked up to Nigel and touched him- Nigel jumped up and shouted, 'Jesus healed me.' 'Jesus healed me and I have no pain' He got up and jumped up and down. Even the visiting doctor was blown away at the miracle. God to the rescue.

***From Ueili Surbick (shared on behalf of David Hathaway Ministries, England, UK) Salvations (1000)***

Oh Hallelujah. This past Saturday evening Linda (my wife) and I attended a gospel crusade at the Haifa conference center here in Israel. Oh praise the precious name of Yeshua. For He was moving by His spirit in the hearts of thousands of Jewish people, both young and old. The majority of those in attendance were unbelieving Russian Jews who survived the Holocaust. A man named David Hathaway came from England with a burden to once again preach the Good News of Yeshua our Jewish Messiah. There were well over a thousand five hundred people in attendance as David declared the saving grace of Yeshua the Messiah (Jesus Christ). David very much presented the truth of how sin separates man from their God, and that only through shed blood can forgiveness of sin ever be obtained. As David spoke the anointing of God's Holy Spirit was moving dynamically in the hearts of hundred and hundreds of people. When he gave a call for people to come forward and received this atoning blood sacrifice made by Yeshua our Lord over half the people in attendance responded.

After David prayed for the healing power of the Holy Spirit to come and heal and set free all those who were oppressed of the enemy. As he prayed there was an electricity in the air and many were experiencing the power of God's Holy Spirit. After the prayer David asked people to check and see if their pain and various ailments were still there, and asked the people to wave if they had evidence of healing and or deliverance in their bodies. And at once hundreds of people all over the auditorium began to wave their arms. This was truly a demonstration of how the Lord confirms His word with signs and wonders.

**From: Bridge to the Broken: *Salvations (10)***

This prison ministry in Ayrshire, which goes in to Kilmarnock prison on a weekly basis and ministers to the prisoners, saw a real breakthrough this spring with over ten inmates giving their lives to Jesus and some of them asked to be baptised after reading in the Bible that this is a step in our journey with Jesus. They asked to be baptized with full water immersion and after prayer and several inquiries with the prison chaplain and the prison Director they got a go ahead. So this summer 9 inmates were baptized and are now on fire for Jesus and hold regular meetings and pray together. Bridge to the Broken also reaches out to the inmates' families and last Christmas they gave over 100 families a hamper with food and gifts.

Bridge to the Broken is a ministry in The Bridge Church in Irvine and is headed up by Aiden Curran He sais that "For the last 10 years I've been working with people whose lives are controlled by addictions such as drugs or alcohol. "Bridge to the Broken will allow us to offer support to families who have been, or are presently, suffering from such addictions. "I've also spent time in prisons, working with inmates and have seen the effect this can have on those outside, who have to deal with the combined pressures of everyday life and the impact of a loved one serving time. "Bridge to the Broken will offer support and guidance to those family members."
